

# Bloodwise Advanced Communication Masterclass:

Supporting haemato-oncology nursing practice

# Bloodwise

The blood cancer research charity

# Join Bloodwise at our FREE one-day training event focused on improving vital communication skills between healthcare professionals, blood cancer patients, their support network and colleagues within the multi-disciplinary team.

## This day is for you if you are:

- A CNS or senior nurse working in haemato-oncology
- An allied health professional involved in blood cancer patient care
- Willing to engage and interact with your colleagues on the day to improve skills

## Objectives of the day are to:

- **Increase awareness** of common communication barriers and the importance of excellent communication skills
- **Practice skills** to improve quality of clinical communication around treatment decisions
- **Increase confidence** in managing difficult conversations with patients and carers
- Build on **influencing and assertiveness** skills to enhance communication between colleagues and teams

## You will have the opportunity to:

- Gain insight from expert speakers and nursing colleagues
- Share your own experiences and expertise with peers
- Develop practical solutions to take back to your workplace

## A free and interactive day to attend

Friday 8 March 2019 - Hamilton House

Mabledon Place, Kings Cross, London WC1H 9BD
